P

PROUD LITTLE LEARNERS

Weekly kindergarten math

Week 8 of 8

Shapes and patterns

Count corners and sides, then extend a simple repeating pattern.

Before you start
Start here if your child can count objects up to 10.

Inside this week

- 8 practice pages
- An answer key for every practice page
- A one-page note for the grown-up
- A small progress tracker

US Letter · print in black and white · about 10 minutes a day

This week's note

How this week goes

About 10 minutes a day. Shapes come first. Patterns use those shapes, and they start with the simplest repeat.

I do, we do, you do

Problem 1 is marked I do. Do it out loud. Problem 2 is marked We do. Do it together. Your child does the rest. If the rest falls apart, do one more problem together.

What is on each page

Practice page 1 counts corners. A circle has 0. Practice page 2 counts straight sides. Practice pages 3 and 4 count only the triangles, then only the circles. Practice page 5 is a two-shape pattern: one, then the other, over and over. Practice page 6 repeats a shape in a pair. Practice page 7 repeats three shapes. Practice page 8 mixes those patterns.

If your child gets stuck

For a pattern, cover the row and reveal one repeat at a time. Say the shape names together, then ask your child to keep the chant going into the empty boxes.

When to go to next week

This is the last packet in this set of eight. When practice page 8 needs only a little help, your child has finished this eight-week run.

What you need

A printer, US Letter paper, and a pencil. Counters such as cereal or coins are optional.

License

Personal, homeschool, and single-classroom use. You may print copies for the children you teach. Do not resell this file or redistribute it.

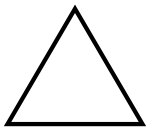

These are practice pages. They are not a test, and they are not a promise of a particular result.

Name _____ Date _____

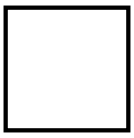

How many corners?

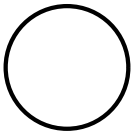

Write how many corners. A circle is round, so it has 0 corners.

I do

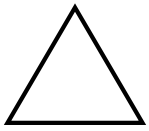

1  ☐

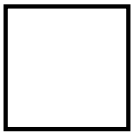

We do

2  ☐

3  ☐

4  ☐

5  ☐

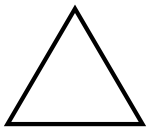

6  ☐

Name _____ Date _____

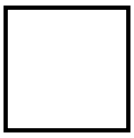

How many sides?

Write how many straight sides.

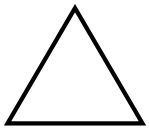

I do

Progress tracker

Color a star, or put a sticker on it, when a practice page is finished. About 10 minutes is enough for a day.

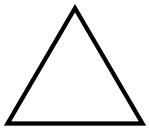

1. Count corners
2. Count sides
3. Count the triangles
4. Count the circles
5. AB patterns
6. ABB patterns
7. ABC patterns
8. Pattern review

For grown-ups. Match the practice page number.

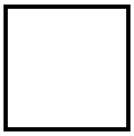

How many corners?

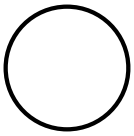

Write how many corners. A circle is round, so it has 0 corners.

I do

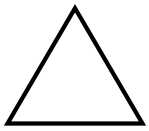

1  **Corners: 3** **3**

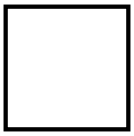

We do

2  **Corners: 4** **4**

3  **Corners: 0** **0**

4  **Corners: 4** **4**

5  **Corners: 3** **3**

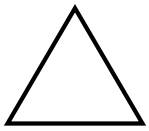

6  **Corners: 4** **4**

For grown-ups. Match the practice page number.

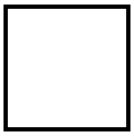

How many sides?

Write how many straight sides.

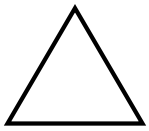

I do

1  **Sides: 3** **3**

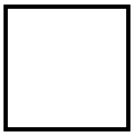

We do

2  **Sides: 4** **4**

3  **Sides: 4** **4**

4  **Sides: 3** **3**

5  **Sides: 4** **4**

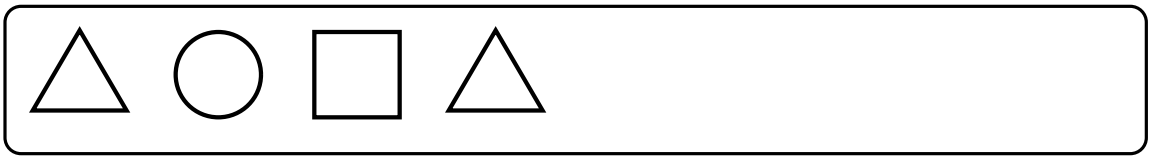

6  **Sides: 4** **4**

For grown-ups. Match the practice page number.

How many triangles?

Count only the triangles in each box.

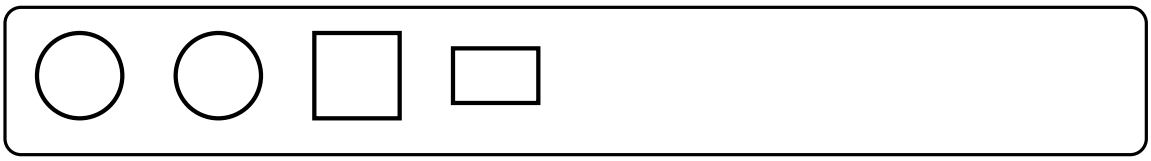

I do

1 

2

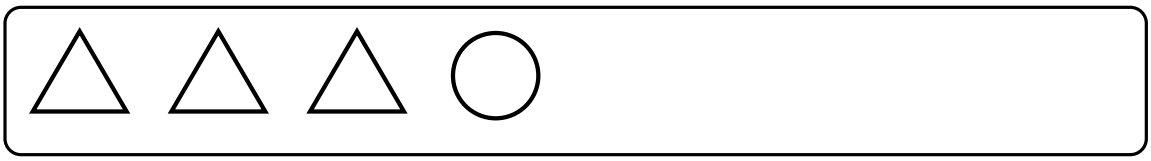

Triangle: 2

We do

2 

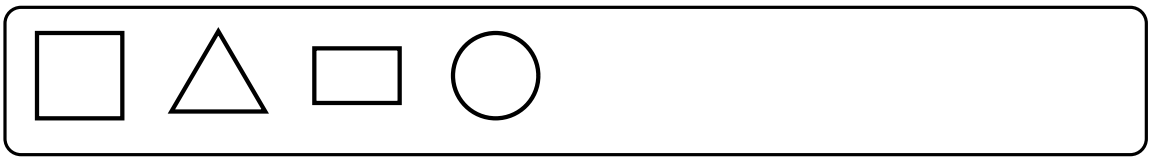

0

Triangle: 0

3 

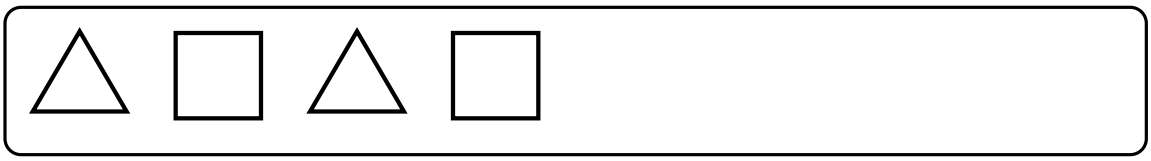

3

Triangle: 3

4 

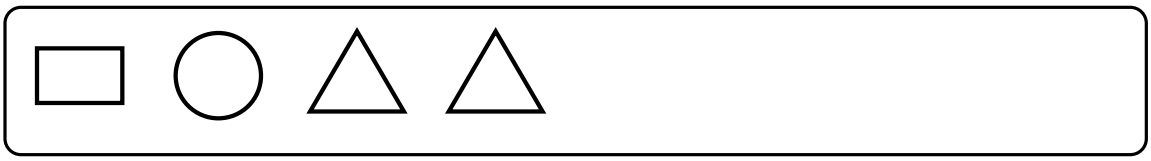

1

Triangle: 1

5 

2

Triangle: 2

6 

2

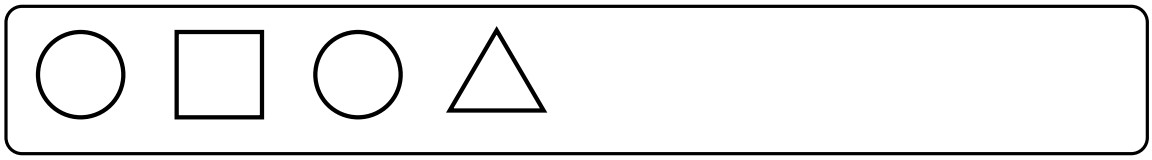

Triangle: 2

For grown-ups. Match the practice page number.

How many circles?

Count only the circles in each box.

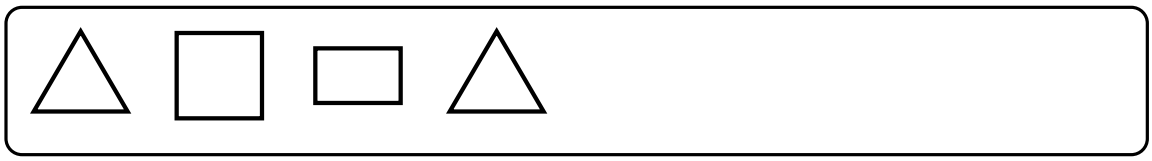

I do

1 

2

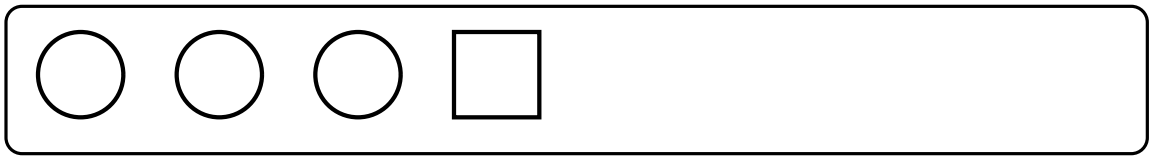

Circle: 2

We do

2 

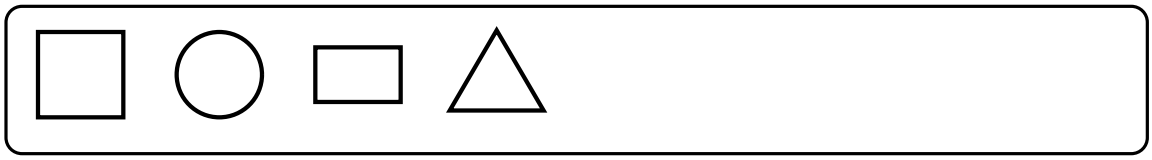

0

Circle: 0

3 

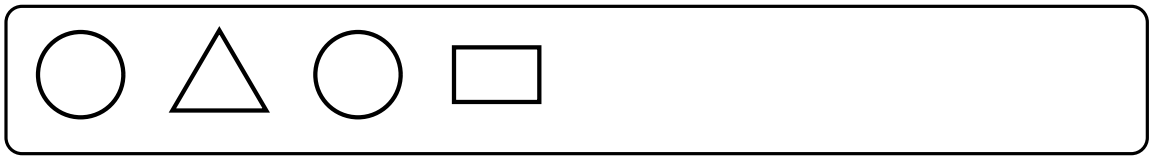

3

Circle: 3

4 

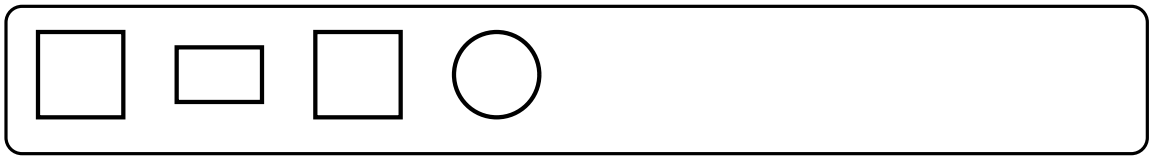

1

Circle: 1

5 

2

Circle: 2

6 

1

Circle: 1

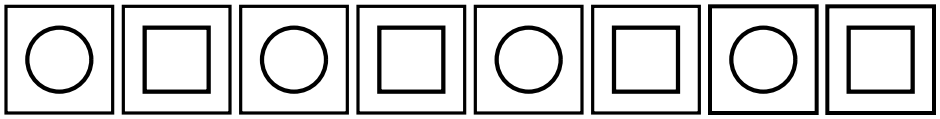

For grown-ups. Match the practice page number.

A pattern of two

The two shapes take turns. Draw the next two.

I do

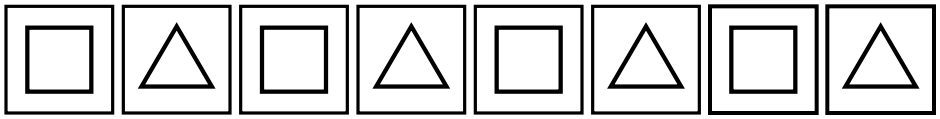

1

Next: circle, square

We do

2

Next: square, triangle

3

Next: triangle, circle

4

Next: rectangle, circle

For grown-ups. Match the practice page number.

A pattern with a pair

Look for the shape that repeats twice. Draw the next two.

I do

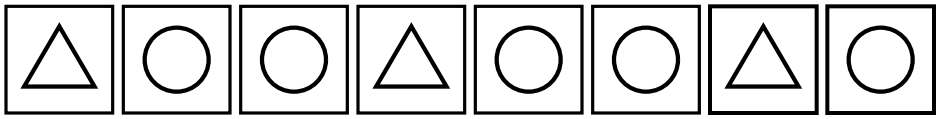

1

Next: circle, square

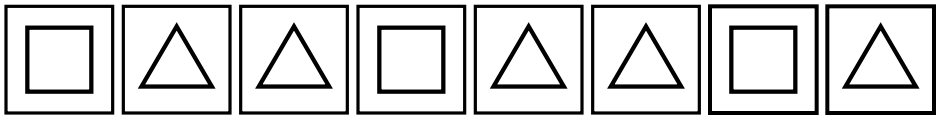

We do

2

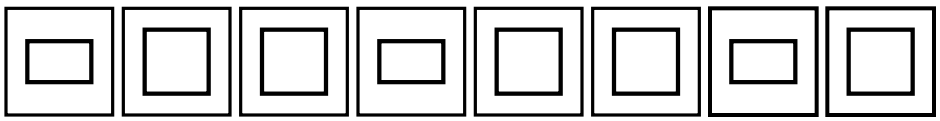

Next: triangle, circle

3

Next: square, triangle

4

Next: rectangle, square

For grown-ups. Match the practice page number.

A pattern of three

Three shapes repeat. Draw the next two.

I do

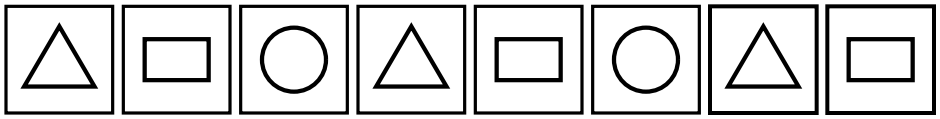

1

Next: circle, square

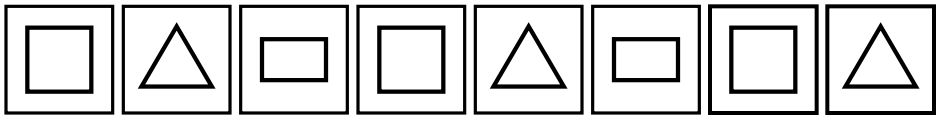

We do

2

Next: triangle, rectangle

3

Next: square, triangle

4

Next: circle, triangle

For grown-ups. Match the practice page number.

Patterns on your own

Find the part that repeats. Draw the next two shapes.

I do

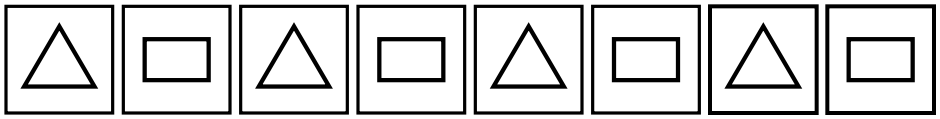

1

Next: square, circle

We do

2

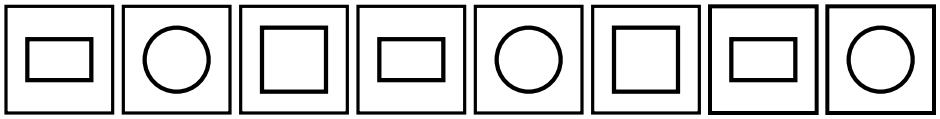

Next: triangle, rectangle

3

Next: circle, triangle

4

Next: rectangle, circle
