P

PROUD LITTLE LEARNERS

Weekly kindergarten math

Week 3 of 8

More and fewer

Circle the group with more, the group with fewer, or the numbers that match.

Before you start
Start here if your child can count objects up to 10.

Inside this week

- 7 practice pages
- An answer key for every practice page
- A one-page note for the grown-up
- A small progress tracker

US Letter · print in black and white · about 10 minutes a day

This week's note

How this week goes

About 10 minutes a day. This week uses the counts from the last two weeks. No adding yet.

I do, we do, you do

Problem 1 is marked I do. Do it out loud. Problem 2 is marked We do. Do it together. Your child does the rest. If the rest falls apart, do one more problem together.

What is on each page

Practice pages 1 and 2: circle the group with more, first an easy gap, then a gap of one, all within 5. Practice pages 3 and 4 do the same for fewer. Practice page 5 asks whether the groups are the same. A grown-up reads the words same and not the same. Practice page 6 compares bigger groups, up to 10. Practice page 7 compares numerals. Circle both numbers if they match.

If your child gets stuck

Have your child line the objects up with a finger, one to one. The row with extras is more. The row that runs out is fewer.

When to go to next week

Next week is adding within 5. Move on when practice pages 6 and 7 are solid with only a little help.

What you need

A printer, US Letter paper, and a pencil. Counters such as cereal or coins are optional.

License

Personal, homeschool, and single-classroom use. You may print copies for the children you teach. Do not resell this file or redistribute it.

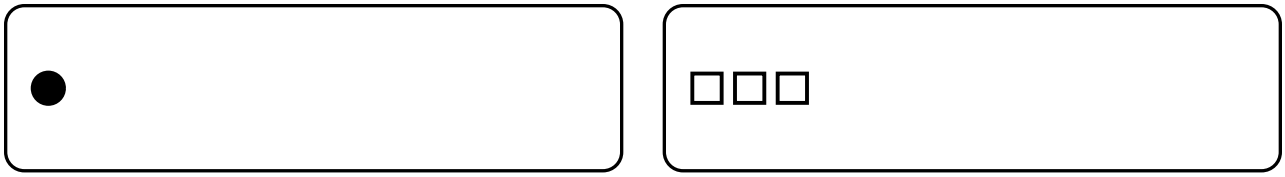

These are practice pages. They are not a test, and they are not a promise of a particular result.

Name _____ Date _____

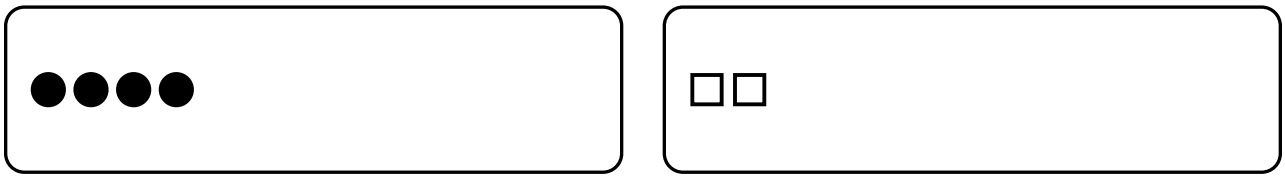

Which has more?

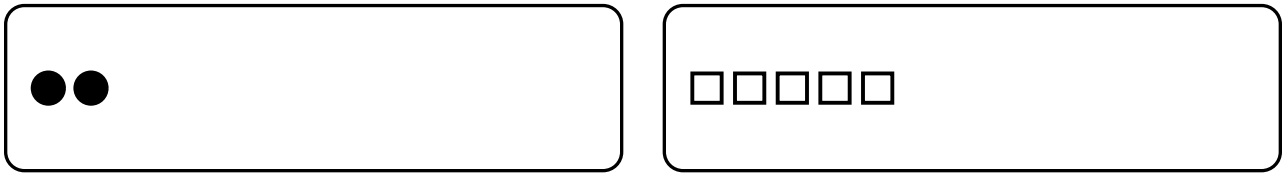

Circle the group that has more. A grown-up can point and say more.

Name _____ Date _____

Which number is more?

Circle the number that is more. If they match, circle both.

I do

1. 3 7

We do

2. 9 4

3. 8 8

4. 6 8

5. 10 7

6. 5 5

Progress tracker

Color a star, or put a sticker on it, when a practice page is finished. About 10 minutes is enough for a day.

1. More, within 5 
2. More, one apart 
3. Fewer, within 5 
4. Fewer, one apart 
5. Same amount 
6. More, within 10 
7. Compare numbers 

For grown-ups. Match the practice page number.

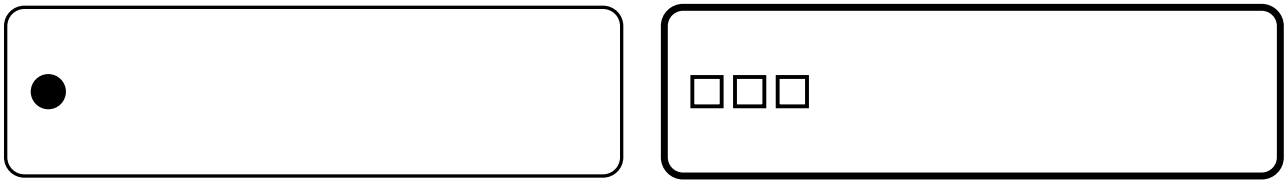

Which has more?

Circle the group that has more. A grown-up can point and say more.

I do

Right has more

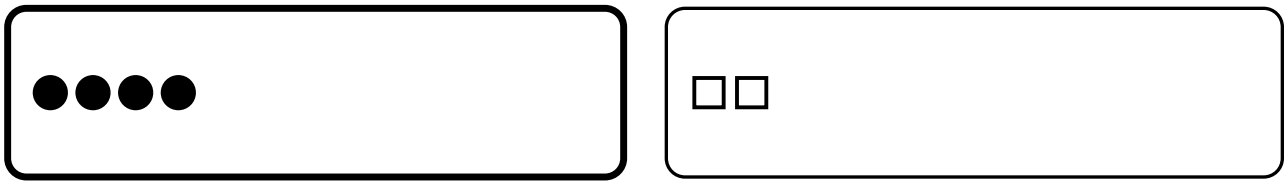

1

We do

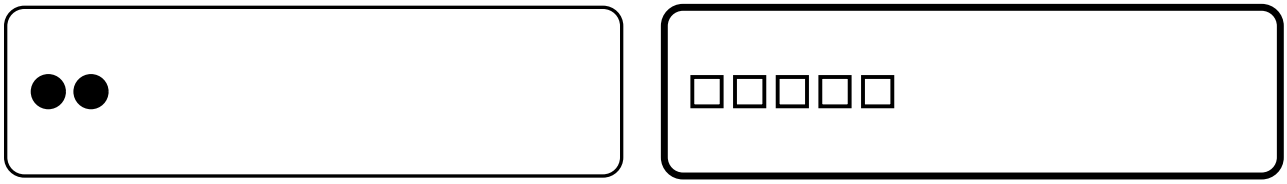

Left has more
